INTERNET DATA EXCHANGE SOLUTIONS

Yuma Association of REALTORS MLS will maintain a database of all active YAR listings approved for Internet Data Exchange. This data base will contain a standard set of displays and a subset of listing data, as determined by Yuma Association of REALTORS® MLS.

The following IDX Solutions will be offered by Yuma Association of REALTORS MLS Firms and Agents:

Agent Framing IDX Option: (For agents use) The search engine uses live, real time data from Paragon Because current Paragon data is used, any new listings, photos or changes will be available as soon as the listing, photo or change is entered into paragon. There is no cost for this service. You will be provided with three (3) links 1. Search by MLS number 2. Search all IDX listings 3. Search my listings. You can also customize additional searches through rDesk.

RETS: No fee for the first website vendor per calendar year. At this time, there are no fees for additional vendors. Available for Participants direct use; *agents must utilize a RETS Compliant Vendor with a current agreement on file with YAR.
